**Subject:** meeting/discussion

Hi Sheryl,

I understand that Rick Keigwin from our OCSPP IO discussed with you the recent PFAS in pesticide containers issue. Rick recommended that I reach out to you and Linda to schedule a meeting to discuss this further. See below for the January news release, along with some Qs n As.

<https://www.epa.gov/newsreleases/epa-takes-action-investigate-pfas-contamination>

<https://www.epa.gov/pesticides/pfas-packaging>

Please let me know your availability & interest, and I'll work to get something on calendar for next week.

Best,  
Kimberly
